International Tutoring Center
ESL Tutoring

Mission
The International Tutoring Center (ITC) is dedicated to providing international students with free, high-quality English language instruction and support.

How It Works
- To sign-up for an appointment, visit http://neu.mymyconline.net/ for instructions.
- Meet one-on-one with a tutor for 50 minute appointments.
- Tutors can help you with:
  - Writing, including getting started, organization, grammar, and citations
  - Conversation, including pronunciation
  - Reading
  - Listening
  - TOEFL prep

Location
Snell Library, Room 088

Appointment
The center is open on Monday through Friday. Please see website for specific times and availability.

Policies
- Each appointment is 50 minutes. Please be on time to your appointment.
- You can sign-up for a maximum of two appointments per week.
- You can sign-up for appointments two weeks in advance.
- You must show a valid Northeastern ID before your session.
- To cancel your appointment, please do so on-line at least 24 hours in advance.
- If you don't cancel your appointment, you will be considered a “no-show”. If you accumulate three "no shows", the ITC may deny you access to the Center.

How to Prepare
- Arrive with clear goals in mind. Before a session, ask yourself, what do I want to ask the tutor? What do I want to improve about my writing, speaking, or reading?
- Students should bring their assignment sheet, readings, and other materials used to write papers.
- Documents should be edited before your session. Though tutors will comment generally on grammar and mechanics, they will not proofread your paper for you.
- Bring a pen or pencil to take notes with during your tutoring session.
